**PETITION FOR INCORPORATION  
OF A CITY OF THE THIRD CLASS  
PURSUANT TO K.S.A. 15-115 ET SEQ.**

TO THE BOARD OF COUNTY COMMISSIONERS OF MIAMI COUNTY, KANSAS

We, the undersigned qualified inhabitant electors residing within the boundaries of the below-described property, do hereby request the incorporation of the below-described property as a city by the name of "the city of Golden, Kansas." The boundaries of the territory within the City of Golden, Kansas shall be as follows:

SEE ATTACHED EXHIBIT A FOR CITY BOUNDARY DESCRIPTION

Attached to this Petition are the following documents:

- A. A statement (attached as Exhibit B hereto) containing the following information regarding the proposed City of Golden, Kansas: (1) Quantity of land embraced, platted and unplatted; (2) a brief description of existing facilities and services currently received by the area, including water supply, sewage disposal, fire and police protection; and (3) reasons for desiring city government and services.
- B. A map (attached as Exhibit C hereto) of the territory showing the location of the proposed City of Golden, Kansas within Miami County, Kansas and the more densely built-up area or areas and designating in general the platted and unplatted areas.
- C. A statement (attached as Exhibit D hereto) of the assessed valuation of the platted real property and improvements and unplatted real property and improvements and the assessed valuation or an estimate thereof of the tangible personal property for each county in which any area lies, certified by the county clerk or county assessor.

SIGNATURE of this Petition is limited to residents (owners or tenants) within the proposed City limits that are registered to vote.

NAMES MAY BE WITHDRAWN by filing, in person with the Miami County Clerk before the petition is filed, a statement substantially as follows: "I the undersigned, hereby withdraw my name as a signer of the petition for the incorporation of the territory proposed to be called the city of Golden, Kansas."

EXHIBIT B

Statement Describing Property to be Incorporated MIAMI CO CLERK  
and Public Service Provision Within Proposed City

**Quantity of land embraced to be included within proposed City of Golden, Kansas, platted and unplatted:**

Approx. 5358.41 Acres

**Brief description of existing facilities and services currently received by the area, including water supply, sewage disposal, fire and police protection:**

All property within the proposed new City of Golden, Kansas is within the boundaries of the Johnson County Rural Water District # 7, as well as Johnson County Fire District # 2. Policing of the area is provided by the Miami County Sherriff's Department. Sewage disposal is handled by private septic and lagoon systems.

**Reasons for desiring city government and services:**

The residents of the proposed City of Golden, Kansas want to preserve their large lot residential and agriculture-friendly way of life while accommodating appropriate new development. As dense industrial growth continues to the immediate north of the proposed City, residents observe that heavy industrial truck traffic and the loss of residential character are forcing longtime residents to move away. Furthermore, the haphazard expansion of industrial development into areas that lack a local planning commission is wreaking havoc with property values. The failure to pre-define the acceptable locations for industrial development, in harmony with commercial and residential properties, has led to wild speculation within the southern Johnson County land market. Because it is nearly impossible to predict where an industrial development will occur next, it is extremely difficult to 1) accurately price land for sale and 2) justify investing in any non-industrial development that could be incompatible with a new nearby industrial user.

**The proposed City will maintain all existing service provider relationships with both Johnson County RWD # 7 and Johnson County Fire District # 2, SO THERE WILL BE NO LOSS IN REVENUE TO EITHER ORGANIZATION UPON INCORPORATION.**

The residents of the proposed City know that massive growth is coming to northern Miami County over the next 10 years and want to be sure they can adequately plan for it while preserving, where appropriate, existing residences and agricultural/conservation areas. To do this requires extensive planning and coordination with our rural water district and fire district partners. Such coordination is most easily accomplished by a City. Over time the residents of the proposed City expect to see an increase in crime and will require policing coverage in excess of what the Miami County Sherriff generally provides to all rural areas. This is also best addressed by forming a city.

CERTIFICATION OF ASSESSED PROPERTY VALUATION  
PURSUANT TO K.S.A. 15-116

MIAMI CO CLERK

I, Justin Eimers, as County Appraiser for Miami County, Kansas, do hereby certify that:

1. The assessed valuation of all of the platted real property and improvements and all of the unplatted real property and improvements within the proposed boundaries of the proposed City of Golden, Kansas is \$14,289,320 for 2021. This certification is made based upon a compilation of all real property appraisal records within the proposed boundaries that were retrieved by the petitioners from the Miami County, Kansas Appraiser's website. I fully verified all of the values included in the list from the petitioners. This list includes 397 parcels.
2. The estimated assessed valuation of the tangible personal property within the proposed boundaries of the proposed City of Golden, Kansas is \$95,095. This estimate is prepared by taking the 2020 total assessed valuation of all personal property within Miami County (\$6,661,908), converting that valuation to a per acre dollar amount for each of the approximately 377,600 acres in Miami County, which yields an appraised value of \$17.64 per acre in Miami County, and multiplying the per acre valuation by the number of acres within the proposed City boundaries (which totals 5,390 acres +/-). These calculations yielded an estimated personal property assessed valuation of \$95,095 within the proposed boundaries. This method of calculating the personal property for the defined area was proposed by the petitioners.

CERTIFIED this 9<sup>th</sup> day of April, 2021.
